Employed and retired club members (and anyone else) can donate to the PLRC Endowment Fund. We use these funds primarily for local and international projects. The Club Board chooses the donation beneficiaries for each Rotary year. Board choices are based on input from the club's Community Service, International Service, Vocational, and Youth chairs.

The PLRC Endowment Fund Board of Governors allocates various amounts—based on the previous year's Endowment donations. The Governors thus advise the Board on much it can spend. The Club Board authorizes the distribution of that year's expenditures—followed by an Endowment Board vote to issue checks. That way: (1) the PLRC does not have interconnecting Boards; and (2) the PLRC has two sets of eyes reviewing all distributions.
